

3 April 1959

MEMORANDUM FOR: Mr. Marion Boggs
Director, Policy Coordinating Secretary *at*
NSC Staff

SUBJECT : Terms of Reference for NIE on Cyprus

The attached terms of reference will indicate to you the rather intensive and far-reaching look which we intend to take at the problems and prospects of an independent Cyprus. Perhaps the Chairman would care to scan them as an indication of the type of support which we hope to give in the time now available.
